

Announcing the Finger Lakes STEM Hub

## **2024 STEM RECOGNITION AWARDS!**

**Youth are invited to create a 2-5 minute video highlighting a project in Science, Technology, Engineering and Math (STEM)!**

**The Finger Lakes Regional STEM Hub is seeking to recognize exemplary K-12 students showcasing their Science, Technology, Engineering and Math (STEM) projects. Student projects will be highlighted to inspire others in the education field to incorporate STEM at any level and for all students to be encouraged to explore STEM!**

**Who can apply?** Participants in grades k-12 from the nine-county greater Rochester and Finger Lakes region, including Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne, Wyoming, and Yates Counties. Youth are welcome to apply through school, community organizations, after-school programs, or home!

**How to apply?** Complete the application form available **March 28th-May 24th** on the Finger Lakes STEM Hub website: <http://www.flxstem.org/stemrecognition>

**Requirements:** In addition to the video, participants must have the following to apply (available on the STEM Hub website listed above in "How to Apply"):

- ❖ Parental and Photo Release Form.
- ❖ Mentor Form.

**Accepting Entries:** March 28th - May 24th, 2024

- ❖ All applicants will be recognized for their STEM projects as long as all requirements are complete.

**RECOGNITION EVENT: TBD**
